## Foreword

We have chosen as the theme for our yearbook the magic word "dreams"; not because we believe that life is a fairy tale, but because we believe that no life achieves its greatest potential without the inner hope, the dream that greater things lie ahead. And so to our readers we say:

*Hold fast your dreams!  
Within your heart  
Keep one still, secret spot  
Where dreams may go,  
And, sheltered so,  
May thrive and grow  
Where doubt and fear are not.  
O keep a place apart,  
Within your heart,  
For little dreams to go.*

Mr. Piccirilli in his official headquarters

## *Dedication*

"The torch had passed" to younger hands when the doors of Norwood Senior High School opened in September of 1964 in welcome to a returning throng of nearly 1600 students.

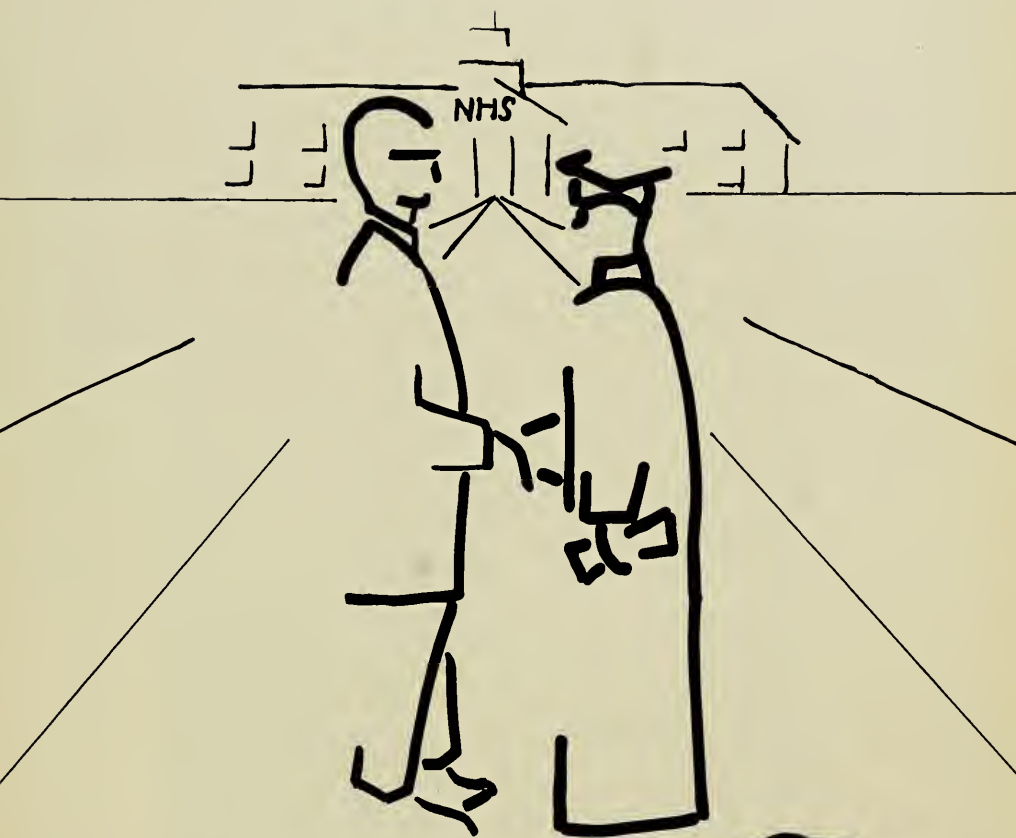

Mr. John F. Monbouquette, vice-principal, and a 1948 graduate of Norwood High School, had become acting-principal, and Mr. John Piccirilli of the Mathematics department was second in command.

Under the vigorous administration of these two competent young men, Norwood High School has enjoyed a banner year of scholastic and athletic accomplishment.

It is in testimony thereof that the Tiot editorial staff extends its congratulations to these gentlemen, and in all sincerity dedicates this 1965 edition of the Tiot to them, happy in the thought that they have so successfully realized their hopes and dreams.

*Yesterday is but a dream  
And tomorrow is only a vision  
But today well-lived  
Makes every yesterday  
A dream of happiness  
And every tomorrow  
A vision of hope.*

*Mr. Everett Learnard*

*To be alive in such an age!  
While man impatient of his cage,  
Thrills to the soul's immortal rage  
For conquest—reaches goal on goal,  
Travels the earth from pole to pole,  
Garners the tempests and the tides  
And on a Dream Triumphant rides.*

*All through the dusky, echoing halls of life,  
A will-o-the-wisp of pure, unsullied light  
Goes flickering round each bend with shadows rife;  
Always ahead but not quite out of sight.  
As it urges us to leave the past, it seems  
To pierce the dark and still the echoes' noise.  
It casts a softening glow on broken dreams,  
And draws reflections from remembered joys.  
The light, which is my visionary goal,  
More dear and private than my very name,  
Is never mine to catch, fence in, control,  
But always to pursue within life's frame.  
It is the sum of every worthy dream,  
Hope's substance, and a faithful guiding beam.*

## *We Take You to Our Leaders*

These five people hold the highest positions in the Class of 1965.

Our hard-working Student Council President is Leo Immonen. His extra-curricula activities include work on the Circulation Committee and the Math Team. He was chosen by his classmates as "most dependable" and "ace accomplisher." He plans to attend the University of Massachusetts.

Paul D'Espinosa, our perennial class president, has served four terms with distinction. He was an officer of the Student Council, Advertising editor of the *Tiot*, and a member of the football and track teams. He was also a clarinetist in the school band for three years. He plans to attend the University of Massachusetts.

Judy Lindquist, soigné and competent co-editor-in-chief of the yearbook, has been a member of the Student Council, the French Club, and the National Honor Society. Judy will grace Wheaton College with her presence in the fall.

Co-editor-in-chief of the yearbook, Bernard Cooper, is a National Merit Scholar finalist and a member of the National Honor Society. He was elected "most likely to succeed" and "best student." He hopes to further his education at Tufts College.

Our enthusiastic Hilltopper editor is Elizabeth Deasy. Her outside interests include tennis and dramatics. She will attend Emmanuel College next year, and hopes to major in sociology.

## *Saga of a Class with Class*

### OUR FRESHMAN YEAR

The Class of '65 won distinction from the start of our career. We were the first freshman class in many years to inhabit the Hill. We managed to establish ourselves amidst the confusion of double sessions, traffic jams, shared lockers, and upperclassmen. In October the call went out for volunteers to plan our Freshman Party. The enthusiastic response was a foreshadowing of the outstanding spirit which is now characteristic of the Class of '65. Our party was held on October 27 in the girls' gym; "Over the Rainbow" was our theme.

We chose distinguished officers to lead us through our first year: Paul D'Espinosa,

our president, was aided by Marifrances McIntosh, vice president; Jane Fuller, treasurer; LaVerne Haasis and Phyllis Kallstrom, co-secretaries; Bill McNamara, Boys' A.A.; and Ann Schneider, Girls' A.A.

Our teams had many devoted supporters to cheer them on. The boys practiced hard and earned their successes on the "court, ice, and field."

In June we could look backward over a fruitful and happy year and forward to an even more profitable sophomore year. We had achieved a longtime dream, the sophistication of becoming lull-fledged members of the Norwood Senior High School, and a year ahead of generations of predecessors.

### **OUR SOPHOMORE YEAR**

In September, 1962, the Class of '65 returned, more confident and determined to blaze our fame deeper in the annals of N.H.S. history. To spearhead our attack, we elected Paul D'Espinosa as president for the second year and, also for the second time, Jane Fuller as girls' treasurer. Other capable officers were: Ken Joseph, vice-president; Mary Ann O'Day, secretary; Thomas Mitchell, boys' treasurer; and A.A. Representatives, Richard Santospago and Nancy Welch.

Our year really began with the class party in October. Everyone participated in the dancing amid colorful autumn decorations. Entertainment was provided by Donnie Day, Bobby Campisano, Andrew Howard, Gail Compardy, Roberta Benham,

Carol Grabus, Nancy Welch, Paul D'Espinosa, and Rocco Grasso.

Our spirited athletes were welcomed by the varsity teams. The track team gained Jim Donovan and Joe Maloney, while Leo Immonen and Charlie Hopkins lent their talents as hoopers. The Gulla forces were bolstered by Ed Mogan, Jack Lanzoni, Bill McNamara, Rich Santospago and Paul D'Espinosa. Sophomores outstanding on the ice were Paul Angelo, Blaine Maus, and Tim Twoomey. Each of these merited an extra hosanna from the sophomore cheerleaders, Patti Sweeney and Janet Carlson.

Our class achievements were notable this year as we continued to grow in wisdom and sophistication.

### OUR JUNIOR YEAR

Ambition and accomplishment were the passwords for this year. The class once again supported Paul D'Espinosa as President; Kenneth Joseph as Vice-President; and Mary Ann O'Day as Secretary. Newly elected officers were: Jane Gaetani and James Donovan, treasurers; and Nancy Donovan and Joseph Flaim, A.A. Representatives.

Fulfilling their roles as members of the distinguished class of Norwood High were: Arlene Black, Vice-President of the Student Council and our Foreign Exchange student; and John Lanzoni, chairman of the S. C. O. R. E. project; and Leo Immonen, recipient of the Harvard Book Prize. In the athletic realm, we cheered ourselves hoarse for Vito Anello, Jack Lanzoni, Ed Mogan, Bill McNamara, Rich Santospago, and Joe Flaim on those fall Saturday afternoons. Hockey and track had championship years in 1964. Invaluable members of

the teams were: Paul Angelo, Tim Twoomey and Blaine Maus on the hockey squad; and John Baker, Eugene Ostegren, Andrew Howard, and Joe Maloney on the track team. Also commendable for their efforts on the basketball court were Charlie Hopkins, Fran Macaulay and Bill Lindbloom. Don Leavitt won glory for his class on the newly-formed Gymnastic Team.

Our nearly-perfect year was highlighted by "Under Paris Skies," our Junior Prom. We once again broke with tradition to hold it in the cafeteria which was transformed into the most enchanting French café ever.

Our last official act as Juniors was as hosts to the departing Seniors on Class Day. We struggled through finals and then bade farewell to the halls of Norwood High to enjoy a summer preparing for our banner year on the Hill.

#### *My Home away from Home*

by Eduardo Ferreira, Paraguay

##### I'LL ALWAYS REMEMBER:

My first week at Norwood High School and my trouble understanding the language.

The blazing colorful foliage of the New England autumn.

Those Saturday afternoons at the football games and the great enthusiasm of the spectators.

The wonder of my first snow storm and the glorious Christmas that I spent.

The basketball games on Friday nights where I really understood what was going on.

The amazing freedom that young people my age enjoyed in the use of the family car.

The kindness of the teachers and their sympathy with my language problem.

The mounting excitement that gripped the whole town over hockey.

The unchaperoned parties with all the noise and food and fun.

The wonderful Lanzoni family and their son John who welcomed me into their home.

#### *I Loved the Philippines*

##### I'LL NEVER FORGET:

That 400 mile cruise down the South China Sea and my "first class" accommodations on a cargo ship.

My surprise at not receiving a lei in Hawaii.

The mix-up in my arrival schedule, and not being met at an airport 12,000 miles from home.

The coral beaches, the coconut trees, the heat, and the lizards.

The smiling faces and the genuine hospitality of all Filipinos.

Eating rice, more rice, and more rice.

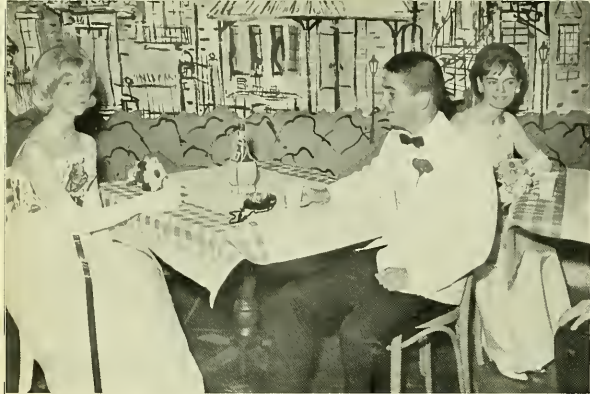

My first ride in a *tartinilla*—a horse-drawn rickshaw.

Being awakened to the tune of Spanish guitars and Filipino serenaders.

Those three weeks in school, shining in English classes and floundering in Filipino.

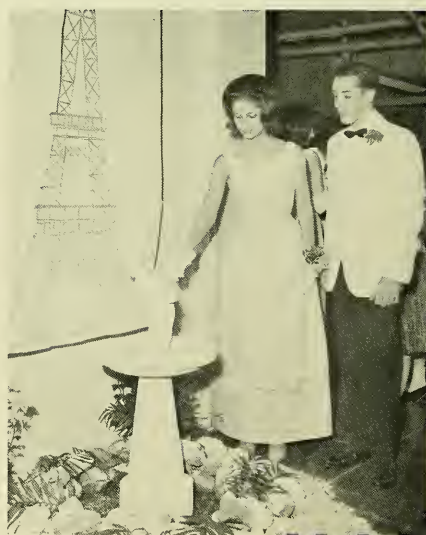

The patience, kindness, love, and understanding of both my families.

### **OUR SENIOR YEAR**

The Class of '65 returned to the halls of N.H.S. to begin its last year together. In the fall, we once again elected Paul D'Espinosa to serve as our president. His fellow officers were: John Lanzoni, Vice-President; Mary Ann O'Day, Secretary; Arlene Black and Tom Mitchell, Treasurers; and Betty Deasy and Joe Maloney, A.A. Representatives.

The outstanding school spirit for which the Class is known was demonstrated at the Saturday football games. The team, led by Rich Santospago and Bill McNamara, was a credit to the school. The hockey squad, led by Blaine Maus, and the basketball team, captained by Charlie Hopkins,

received enthusiastic support in the winter months.

The Senior Class also proved its prowess in the dramatic and musical fields. The Senior Play, "The Red House Mystery," was a success in all respects. All who participated and those who attended agreed that the experience was most enjoyable. Our Senior Musical, "Sky High," was given equal praise. Even today, walking the corridors, one can hear snatches of the tunes being sung. A source of great pride to the Class was the number of eager participants in both of these events. Surely, our class will be remembered as a very enthusiastic and spirited one.

## *Our Senior Year (Continued)*

Spring arrived before we knew it; and with mid-years over, we looked forward, not to finals, but to Graduation. The baseball team, led by Jim Sweeney, was urged on by many suffering from spring fever on the warm afternoons. Early in May, that dread disease, "Senioritis," set in and most academic endeavors were abandoned. The Senior Prom at the Sidney Hill Country Club was attended by 216 couples who reveled in the fruits of four years of labor.

A very successful experiment in International Living resulted in a five week visit at our school by six German students from Idar-Oberstein in Deutschland who were accompanied by their principal, Mr. Gross, and an instructor, Mr. L'Abbé. While sharing and comparing methods of teaching and studying, the German and American students formed a warm and lasting friendship. They left Norwood High an unusual collection of semi-precious gems compiled by one of their members.

The final weeks of school, filled with happiness and celebration, briefly interrupted by finals, rushed by. The Honors

Banquet, Sports Banquet, Class Day, Senior Banquet, and Graduation have left us all breathless, exultant, and faintly melancholic. We have come to the end, not only of our days at Norwood High, but also of our childhood. We face a new life, new obstacles, new problems, and new joys. The Class of '65 will continue to do its best in every undertaking.

*From the busy street's rude bustle,  
From trophies of mart and stage,  
I would fly to the woods' low rustle  
And the meadows' kindly page.  
Let me dream as of old by the river,  
And be loved for the dream always.  
For a dreamer lives forever.

## Guidance Department

Helping the individual student handle his problems effectively, whether they be educational, vocational, or personal in nature, is the essence of the Norwood High School Guidance Program. The counselor aims to offer each pupil the special support he needs in his unique circumstances to achieve personal fulfillment, social maturity, and adequate preparation for his life goals.

Since about 60% of the high school population goes on to institutions of higher learning, college preparation and admission is a major concern. This year we are concluding successfully our first 3 year assignment as a College Board Testing Center. Staff members attended college conferences in and out of state to bring back information to make it possible for every student to help himself prepare for his future education.

For the 40% that desire practical work experience directly following graduation, the Guidance Department cooperates with the Massachusetts Employment Security Agency. Their staff visits the school in the fall testing for talents other than academic.

When seeking the solution to educational and vocational problems, personal difficulties often arise, but talking things over confidentially with a sympathetic counselor works wonders. If necessary, however, the guidance department will make referrals to other professional agencies especially designed to handle personal and family problems.

When an individual knows his strengths and his weaknesses, he can plan realistically to develop the former and to correct or compensate for the latter. Guidance services are one aspect of a team of helping services available to the youth of today in the hopes of creating a better tomorrow.

# English Department

The Norwood High School English Department offers a variety of courses in the art and science of using our language in reading, writing, and speaking. Course offerings are planned to develop and increase power in the use of these skills and to provide all students with an introduction to and a basic understanding of our literary heritage.

Students are helped to develop an awareness of both the practical and the aesthetic aspects of all phases of the traditional English curriculum. Various literary types of all ages and cultures form the core around which revolve rhetorical, compositional, grammatical, and oratorical experiences of the English classroom. Special instruction is provided through the Developmental Reading and Study Skills Programs to increase the student's comprehension and rate of reading speed.

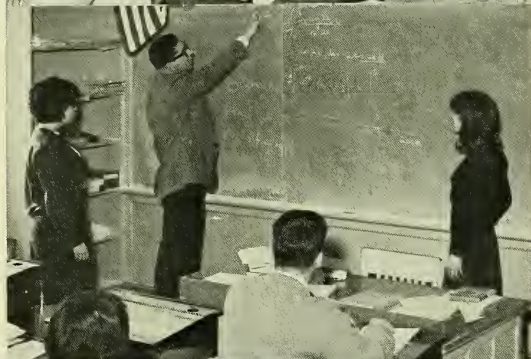

The English Department offered again this year a seminar entitled "Utopian Societies in Literature" which meets one day a week after school for fifteen weeks and in which the students may earn two credit points by submitting a research paper on some aspect of contemporary society.

Norwood High School students are assigned to English classes which, in so far as possible, are specially adapted for their needs and abilities. A Cumulative Course of Study in Grammar and Composition, published after completion of a summer workshop by English Department personnel, summarizes the aims of the Department and guides the faculty in its presentation of the total English program.

1. *English is accelerated with Mr. Flaherty.*

# Mathematics Department

As of last September, all our mathematics classes have been following a modern mathematics program. The use of programmed text books for some classes in Algebra I and General Mathematics which allow for individual growth and maturity in mathematics shall continue.

An experimental program has been devised to provide for the individual selection of upper classmen for advanced placement in mathematics. This program hinges upon individual counseling and independent study.

The offerings in the mathematics curriculum fall into two categories, the General Course and College Course. General Mathematics and Basic Mathematics are offered in the General Course whereas Algebra I and II, Geometry, Math IV, Calculus and College Preparatory Mathematics comprise the College Course.

Our seven-period Calculus course for accelerated students is in its second year. In the spring, these students will take the advanced placement mathematics exam which will determine their initial mathematics course in college.

# Foreign Language Department

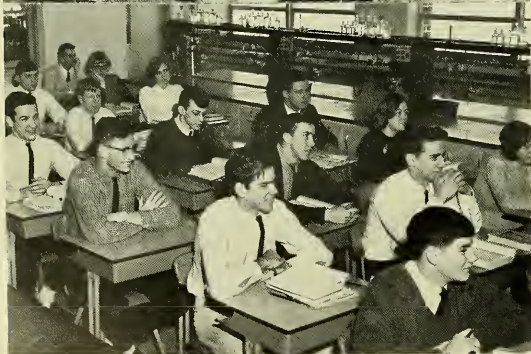

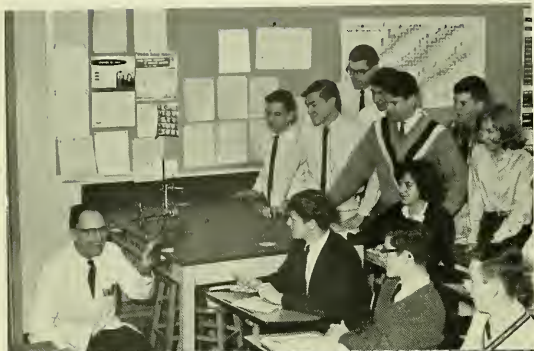

French, Spanish and Latin are currently being taught in the foreign language program. The study of French may be started in the third grade and continued through the twelfth grade. There is a four year sequence for both Spanish and Latin beginning in the ninth grade.

The fourfold goals for the modern foreign languages are, first the development of the skills of understanding and speaking and then those of reading and writing. It is now generally agreed that intensive practice in the "aural-oral" skills should precede and prepare for the learning of the reading and writing skills. The language laboratory is an important aid in helping the student to understand and speak the foreign language. He is able to listen to recordings by native speakers, to imitate what he hears, then to record his own performance and with the help of the teacher evaluate the results. His ability to understand is continually being developed by listening to native speakers as they discuss varied subjects. Again this year the laboratory has been open after school hours to provide assistance to those needing additional practice and to supplement the work in the advanced classes.

# Science Department

2. *Who laid those eggs?*
3. *Population explosion—bottle babies.*

New courses in science need adjustment to each local need. There probably is no such thing as a single ideal course in any science. First, because science is constantly growing; second, because no two classes are the same; and third, because the teacher must be thoroughly familiar and believe in the method used. We have an everlasting struggle to attain a mean, but expect few to fall within its limits.

The courses given start with the two Earth Science courses available to Freshmen. The next offering is three Biology courses, including the continuing "Blue Version" of the Biological Sciences Curriculum Study group. In Chemistry for Juniors we offer the CHEM Study course as well as Traditional chemistry. The modern course in Physics is the only one used in the college curriculum, and we feel that the Physical Science Study Committee Course is the best. In addition to the above courses we have a General Science course for a group selected from every class and a course in Physical Science for either Juniors or Seniors.

Science is a quest; and many roads may be travelled in the search, and many weapons may be used to carve out understanding. We believe in large helpings of laboratory work to assist in this direction and the new courses have this as their watchword. Our next step is to increase the time available for laboratory experimentation. This will be possible in the new schedule. Onward and Upward!

# *Business Department*

Norwood High School offers a broad coverage of business subjects in the curriculum. Interested students in grade 10 may elect General Business, which includes one-half year of basic business information and one-half year of Typing I.

Students in grade 11 are offered Stenography I, Typing II, and Bookkeeping I, which includes a short course in the preparation of the Federal Income Tax Return.

Qualified students in grade 12 may elect Stenography II and Transcription, Typing III, Bookkeeping II, Business Law, and Business Machines, which includes filing practice and automation practice.

In addition, there is Personal Typing for students not enrolled in the business course. This year over 40% of all high school students are enrolled in one of the typing classes.

Through the cooperation of the U.S. Civil Service Commission we expect to offer Stenographer-Clerk-Typist examinations here at the Norwood High School again this year.

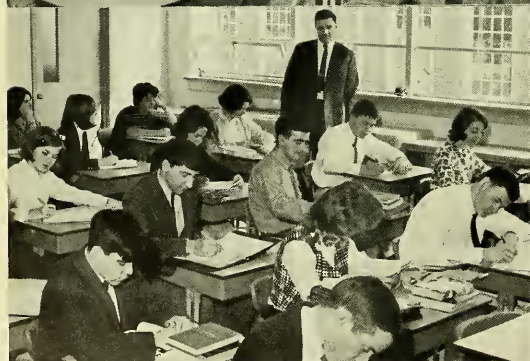

Business Department courses include terminal courses for those students whose formal education will end upon completion of high school, and courses which will be helpful for others who plan to further their education.

2. *Bookkeepers or Bookies?*
3. *The quick brown fox jumps again.*

# History Department

A study of the past and an appreciation of man's achievements are the goals of the history department. The student traces man's history to the present and then studies his own culture and times.

Ancient history includes research into the origin of important cultural institutions and achievements which have had a profound effect upon the present age. World history continues this study with the expansion of nations and international rivalries. The impact of totalitarian ideologies in national and international affairs receives considerable attention. American history helps the student understand the ideas, traditions and institutions which have shaped our American civilization. The senior course of Modern Problems surveys contemporary man and society with emphasis on the American's role in a world society. Emphasis is given to government and international relations.

By the senior level the student has experienced a broad sampling of historical study techniques, research methods and world philosophies.

It is intended that the acquisition of these knowledges and skills will provide the student with a democratic frame of reference through which he can become a contributing and effective member of our society.

1. Mr. Flaherty laughs off his *Modern Problems*, especially Andy.
2. The serious approach under Mr. Shaughnessy's tutelage.
3. The Seniors make History with Mr. Bonin.

# Physical Education Department

Our program in Physical Education is an integral part of high school education and it has been expanding rapidly in recent years. It is the source of the development of various motor skills which have carry-over value for the future. Participation by all students in some aspects of this program, curricular and extra-curricular, is our aim. We also aim to develop correct attitudes towards play and to set up proper standards of sportsmanship.

Physical Education classes are held two periods a week for Seniors and Juniors and three periods a week for Sophomores and Freshmen. The Seniors have Hygiene instruction once a week.

Intramural sports offered for girls are field-hockey, basketball, tumbling, softball, and gymnastics. The boys' intramural program consists of soccer, football, tennis, basketball, gymnastics, weight training, and wrestling.

The interscholastic program, also a very important part of our physical education setup, is conducted for girls in field hockey, basketball, tennis, and softball; and for the boys in football, hockey, baseball, indoor and outdoor track, cross country, golf, and tennis. This year for the first time wrestling was offered and excited considerable interest.

Each year the opportunities offered the student body are expanded and refined and we feel that the school is well represented in most fields of physical activity.

1. *The girls warm up, but the timing seems askew.*

3. *The immortals witness Mr. Faucett in voice training.*

## ART DEPARTMENT

The provisions of the Art Department are arranged so that all students of mixed abilities and talents can apply themselves to a variety of creative experiences. These experiences are realized through a wide range of art media. Such materials and methods as block printing, sculpture, oil painting, drawing, ceramics, and many others provide the student with the opportunity to develop a personal interest in art.

In addition to the general art program, students desiring to go on in their art studies either at a university or professional art school, will find the art program providing them with necessary preparation.

Students desiring to further their background knowledge of the arts and humanities learn to appreciate great art and to recognize the outstanding painters such as Van Gogh, Rembrandt, and Picasso.

## MUSIC DEPARTMENT

The Music Department continued its expansion this year by the addition of a stage band. This, plus the addition of last year's groups, the Chorales and the Concert Choir, has contributed to many varied activities throughout the year.

In instrumental music the band substantially increased its membership and held concerts at both the school and throughout the community.

Once again music was taken for a half year by all incoming Freshmen. Encouragingly, many Freshmen also contributed to the school's musical activities by participation in the Freshmen chorus.

A course in music appreciation was again offered this year and a continuance of this course is planned.

As always, the Music Department encourages direct participation in some musical activity by as many members of the student body as possible. It is our belief that a fine music program can greatly enrich our school and its influence in Norwood and neighboring communities.

# Library and Reading

## LIBRARY

Norwood Senior High School Library has grown to over 6000 volumes. The library also subscribes to 50 periodicals. Although these figures represent an increase over last year, the library's resources are still far from adequate to serve a school population of 1600. The modern curriculum, with its emphasis on depth and enrichment, requires a library rich in supplemental resources.

The faculty library has proved useful to teachers furthering their professional education, as well as to a surprising number of students who have shown an interest in educational problems.

The library is being used to its very limited physical capacity. More space for both books and students is an urgent necessity.

The Library Service Club has, as usual, rendered invaluable assistance to the library and the school.

## READING

The reading program is offered in three areas.

Area one involves study skills twice a week for all freshmen. Intensive reading is offered in outlining, paragraph meaning, drawing inferences, word families, sensory imagery, vocabulary development. Wherever possible a direct correlation with regular classroom assignments is applied.

In area two freshmen whose standardized testing and classroom work both indicate additional help is necessary meet on Friday for a third day of work in word attack, word families, recreational reading.

Two fully equipped reading laboratories are used with the sophomores, juniors, and seniors in area three of developmental reading. Emphasis is placed upon critical reading from various sources, speed reading with modern machines and vocabulary enrichment through context.

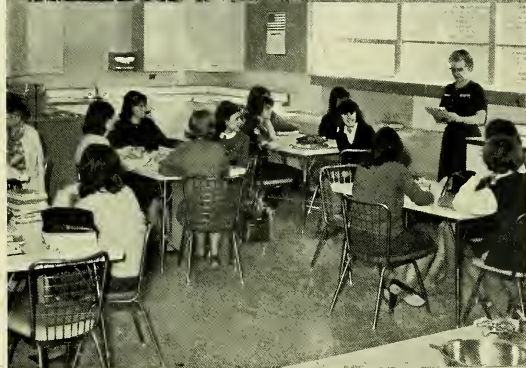

1. *Mrs. Sweeney checks out the latest scoop.*
2. *Powerful vocabulary building with Mr. Phillips.*
3. *"Be a better reader," says Mrs. Evans.*

# Home Economics Department

The Betty Lamp, Symbol of Home Economics, has reached a new goal in Norwood High School. Here, in the modernly-equipped laboratories the high school girls have the opportunity to develop their skills in homemaking.

Those taking Home Economics I learn the fundamental basic techniques of homemaking.

Home Economics II, III, and IV offer the girls more advanced special training. A girl must have taken Home Economics I before she can continue in the advanced Home Economics courses.

Home Economics Minor and Home Management gives these girls in two periods a week, simplified techniques which will aid them as housewives and career girls.

Homemaking has always been an essential part of every girl's life. Through the Home Economics Department, girls are able to acquire and improve these skills.

1. "We are what we eat," says Miss Walters.
2. Learning "to mix" in the kitchen with Mrs. Rideout.
3. Mrs. Blaydon's girls plan their wardrobes.

# *Industrial Arts Department*

Industrial Arts education is designed to help prepare individuals for meeting the requirements of a technological culture. The students learn through direct experiences with tools, machines, and materials, and through close working association with classmates and teachers. The application of an idea from its inception in the mind of the learner includes planning, designing, laying out, cutting, shaping, fabrication, and finishing. It is designed to discover and develop student talents in industrial-technical fields while stressing skills in the safe use of tools and machines.

Mechanical drawing provides a basic knowledge of the techniques and skills necessary to produce satisfactory plans which can be used in the various shop courses. It also prepares the student for the advanced drafting requirements in technical schools.

Graphic Arts trains the students in the skills of designing and producing suitable forms which are printed on the offset press.

Electronics is given to the students who show an interest in this fast-growing technical field. More equipment will help to develop skills in assembling and testing electronic devices.

Woodworking includes the designing, planning, constructing, and finishing projects which the student selects.

Metal work gives the pupil an opportunity to set up and operate some of the machines found in modern machine shops and sheet metal plants. Metal spinning, art metal, metal forming and arc welding are included in this course.

# Peabody Class History

## 1963-1965

As we say our good-bys and proudly emerge with our newly found vocational skills, we are aware of the many memories we take with us.

Joining those of the Class of '65 who had come as sophomores a year earlier, the greater number of us entered the Henry O. Peabody School in September, 1963. We felt that a new exciting adventure was before us. The two years ahead were going to make adults of us. We would learn greater responsibility, grow academically, become socially mature, and be trained for the careers which we had chosen to follow.

In October of our Junior year we had a Halloween party, which gave us the opportunity to become better acquainted with all the other students.

We had our annual Thanksgiving dinner, consisting of turkey "with all the trimmings," on November 26.

The holiday season approached quickly and it was time for "Operation Santa Claus," our Christmas program "Symbols of Christmas," and the Christmas luncheon.

With the coming of spring, our Spring Dance was held on May 8. The beautiful decorations which accented the theme "Shangri-la" were a sight we'll never forget.

The annual Step Party was held on June 4. The Senior cake was cut by our newly elected President of the Student Co-operative Association, Barbara Toothaker, and Vice-president Lynda Chamberlin.

Happy and exhilarated after summer vacation, we returned as seniors with determination to make the best of our last year. After renewing old friendships, we greeted the newcomers at a Get-Acquainted Tea on October 22.

Our Director, Miss Ann E. Donovan, left us in October and Mrs. M. Adele Marcoux took over as Interim-director.

Carol Wilbur was elected Secretary of

our Student Co-operative and Jeffrey Shadrick, a junior, was elected Treasurer.

The 1964 special Thanksgiving dinner was enjoyed, and then suddenly Christmas was upon us. Our "Operation Santa Claus," with which we remembered those less fortunate, was the usual traditional success. The Christmas program, entitled "A Christmas Tapestry," was followed by the annual Christmas luncheon.

Choosing Senior Superlatives and having our pictures taken for the yearbook made us realize time was passing much too fast.

Our Spring Dance on April 30, 1965, was the scene of a sprightly Hawaiian Party complete with leis and palm trees.

Before we knew it, exciting graduation time was here with the Step Party, Class Day, Senior Banquet, and the awarding of those precious diplomas.

Our years at the Henry O. Peabody School have proved very special ones to all of us. The memories of them are sure to remain with us forever.

## ***“Upper Classmanship”***

### **History of the Class of 1966 - Junior Year**

The fall of 1964 saw our class joining the “upper classmen” bracket, and it was with poise and assurance that we entered upon our Junior year.

Political fever and the race for class officers soon gripped us. We maintained tradition by re-electing William Crowley, for the third time, as our class president. We chose the following slate to assist him: Peter Black, Vice-President; Mary Phalen, secretary; Roy Immonen and Mary Babel, treasurers; and Kathleen Drew and Frank Danieli, A.A. representatives.

We feel with just pride that the class of '66 has contributed greatly to the sports program at Norwood High. Our representatives on the gridiron were John Solomon, Peter Barry, Chris Effertz, Michael Griffin, Frank Danieli, Richard Mahoney and Thomas Costello.

The Junior class has provided the main strength for a very successful hockey season

due to the outstanding performances of Richard Hebner, Robert Donahue, William Crowley, Robert Clifford, William Hasenfus and Robert Folan.

Chris Effertz, Michael Griffin, Dave Graham and Stephen Hemmen are responsible to a great extent, for the renewed winning habit of Norwood's basketball team.

We are more than proud of our class scholars. There are many—among them Loftin Elvey, Barbara Staller, Margaret Mitchell, Donald Anastasia, Andrea Bremer, Susan Dobson and Ellen Morgen.

Two very important members of our class are Donald Anastasia and Joan Vasilauskas who were chosen as the finalists in the Foreign Exchange Student Program.

With the valuable experience which we have gained in the past three years, we have impatiently await “seniority.”

—Elizabeth Callahan

## *“Right in the Middle”*

### History of the Class of 1967 - Sophomore Year

The Class of '67 proudly returned to school last September eager to begin our second eventful year on the “hill.” With a year of valuable experience behind us, we settled down immediately to the steady routine of classes and homework.

The election of class officers added to our enthusiasm. Last year the girls headed the list, this year the boys took over. The result of the election were as follows: Robert Fitzpatrick, president; Robert Orme, vice-president; Mary Stupak, secretary; Carolyn Boulis and Joseph Smith, treasurers; and Gayle Kelley and Thomas Donovan, Athletic Association Representatives.

In October, our Sophomore Party brought out the hidden talent in the class under the direction of our emcee, Robert

Fitzpatrick. The decoration committee carried out the theme of “Autumn Shuffle” in a bang-up fashion.

In sports, many of our stalwart he-men began to establish reputations, and the fairer sex cheered them on with great enthusiasm, with Janet Sullivan and Kathy Fuller, serving as cheerleaders. We rated high scholastically also with a good percentage of our classmates attaining honor roll prominence.

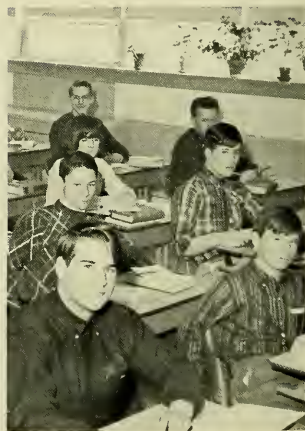

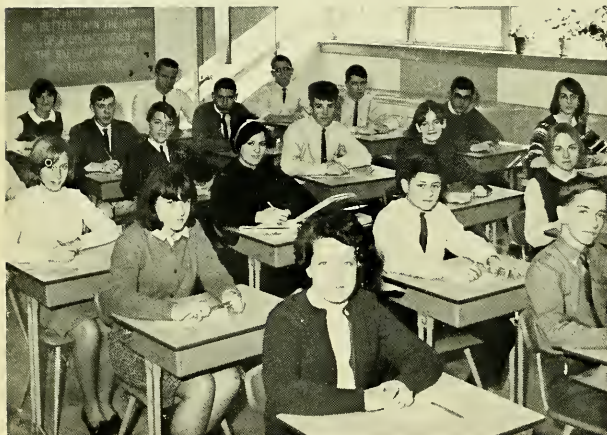

By spring, we had finally established our position at N.H.S. The rest of the year flew by, and June was with us before we knew it. We had completed a very successful year and we looked forward in anticipation to our next.

## *“From the Bottom of the Hill”*

### History of the Class of 1968 - Freshman Year

Here we are at last, able to take full part in the exciting activities of Norwood Senior High. We have waited long to be a part of this wonderful “School on the Hill,” and now that we are here, we intend to make the most of it.

We shall never forget our first hectic but thrilling days at Norwood Senior High. It was impossible for us to travel from one room to another without getting lost in the massive sea of people who surged through every hallway, noisy, gay and voluble. We were alone, excited and terrified, but soon learned to hold our own.

Our first task at Norwood High was the electing of class officers. We chose as our reliables: Kevin Orme, President; Richard

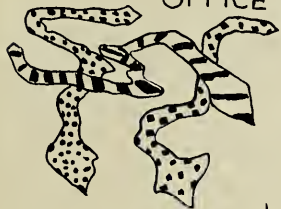

Machado, Vice President; Carolyn Seval, Treasurer; Sylvia Dyer, Secretary; Ralph Jacobs, Treasurer; Cathleen Coakley, Girls’ A.A.; James Phalen, Boys’ A.A.

The Freshman Party was our first big activity. A marvelous program of entertainment was provided by our classmates, in particular by the Aces, a four piece band consisting of Charles Carchedi, Robert Hall, James Abel and Bruce Wheat. Song-bird Barbara Lanzoni provided one of the high spots of the evening.

We’ve made a place for ourselves and as “Sons and Daughters True,” and we hope to carry on all the best traditions at Norwood High School.

## *Leo Led A Constructive Council*

The Student Council, under the leadership of Leo Immonen, president; Charles Bevivino, vice-president; Jane Fuller, treasurer; Elizabeth Orme, recording secretary; and Susan Dobson, corresponding secretary had a very successful and enjoyable year. The Executive Board, consisting of John Lanzoni, Patricia Sweeney, Paul D'Espinosa, Arlene Black, William Crowley, Peter Black, and Joanne Susi, was a very active aid to the Council.

For the first time in the history of Norwood High, the Student Council, under the direction of Jack Lanzoni, held a Freshman Orientation Assembly. A group

of representatives from the Council gave brief descriptions of various phases of activities at the school. This was a great help to the Freshmen.

The Student Council Dance, our first activity of the year, was held on November 20. From the very beginning of the time when planning meetings were held to the night of the dance, the student enthusiasm for this dance was tremendous. The money from this dance was sent to the Foreign Exchange Fund.

Two of our productive projects were the raising of money for the U.S.S. Massachusetts and the school sponsorship of an

entrant in the Jewish National War Veteran's Leadership Contest. For the former, the Student Council, under the direction of Leo Immonen, collected 180 dollars. In the latter project, the school was very happy to learn that Patricia Ekhardt had been named a state finalist. For this honor, she received a plaque and a scholarship.

The Student Council sponsored the annual Student-Faculty Game again this year. This is always one of the highlights of the

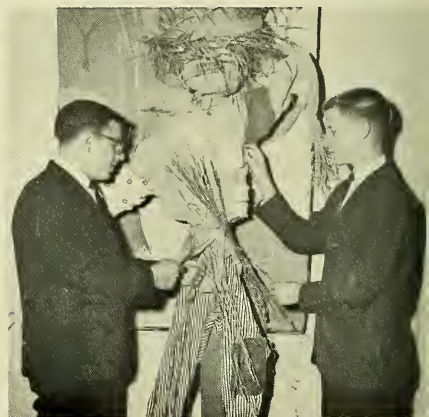

year, and this year was no exception. The score was 46-45 in favor of the students, which shows which side the scorekeepers favored. The Council raised over \$200 on this project; the greater part of it was given to the Foreign Exchange Fund.

This year's Council would like to thank Miss Hubbard and Mr. Buscone for their tireless support and enthusiasm which helped make this year's Student Council a great success.

## *Kings, Castles and Knights*

The Norwood High School Chess Team opened its competition against Weston High. The result was an unfortunate Norwood defeat, 8-2. The two points were taken by Edward Mercier, a member of the Sophomore Class. Next, Foxboro invaded Norwood for a match which resulted in a Norwood defeat by the same score. Eric Kanin was credited with the Norwood points and put up a fine fight against his experienced opponents.

Sharon was our third competitor and ended its visit with a 10-0 win. The fourth match, Norwood vs. Westwood, resulted in another Norwood defeat, 8-2, but the spirit of the team members still persisted. Norwood visited Walpole for its fifth match and was still unable to acquire a

victory. However David Bamber, a newcomer to the game, defeated a tough Walpole player leaving the score at Walpole 8, Norwood 2.

Not all is lost, for this year will serve as a building year. In its first year in the Inter-scholastic Chess League, Norwood High has come up with some fine young talent such as Freshmen, Eric Kanin, Dianne Thomas and Joseph Chermissini; Sophomores, Edward Mercier, Dianne Grover, Diane Alexander and Jean Folan and Junior, David Bamber. Edward Mercier, our top scorer was followed closely by Eric Kanin and David Bamber. With all this fine potential, we're confident of future Norwood victories in the matches yet to be played.

## *Le Cercle Francais*

The highlight of the French Club's activities this year was a French Christmas party. Members of the French Club from Needham were our guests. Our students enjoyed presenting "Little Red Riding Hood" in French with costumes, staging, props, and lights. French Christmas carols were sung with the guitar accompaniment of two Needham students. "Une buche de

Noël," a French yule log cake, was served in keeping with the theme.

Other activities of the year will include a trip to Boston to see a French film and to eat at a French restaurant. A hike and picnic are planned for late spring.

Our president, Mademoiselle Carol Murphy, and advisor, Mademoiselle Hegg, have had excellent cooperation from the forty members of this year's club.

## ***High Times with the Hilltopper***

Somehow amid the chaos of first drafts, copy sheets, and galley proofs, the Hilltopper was printed for its eighth consecutive year. Betty Deasy was editor-in-chief, with a very capable and valuable assistant editor, Mary Kavolius, who was also treasurer. Tim Sullivan was sports editor, and Kestutis Makaitis photography editor.

For the first time the paper was actually printed here at Norwood High School under Mr. Jennings' capable supervision; thus we effectively reduced the cost of printing the paper, and also managed to

eliminate advertisements, which left more space for news articles. We had pictures and cartoons this year which in other years were eliminated because of the cost.

With many new members came many new and interesting articles. Some were the satires by the Igg, Igg's Figs; the soaring '65's; and the interview with the Minets. We had very many valuable staff members this year: Snike and Benji, alias Mike Snellgrove and Joe Maloney, wrote some wonderful articles on sports, and Peggy Breen, Arlene Black, and Phyllis

## *Cream of the Crop*

The National Honor Society was established at Norwood High School in 1960 for the recognition of academic excellence in high school grades. Members are chosen on the basis of excellence in character, scholarship, leadership, and service.

At graduation this year, members of the society will be readily recognized by the gold tassels which will adorn their caps.

Our adviser, Mrs. Coburn, and four delegates from the Norwood High Chapter attended the second annual convention of the Eastern Massachusetts Association of

National Honor Society Chapters in Burlington in February. This organization was given official recognition this year with the acceptance of its constitution. Norwood High School is a charter member of this association. The convention was a strong incentive to the members of the society to evaluate and improve our own chapter. The delegates found particularly inspiring the keynote address delivered by Dr. Samuel Miller, Dean of Harvard Divinity School, Cambridge, Massachusetts.

### Math Team Athletes

## *Math Brain Trust*

For the third consecutive year Norwood High School entered the Greater Boston Mathematics League. The small but spirited group was advised by Mr. Louis Buscone. The Boston league consisted of forty-seven teams organized into five divisions. Norwood competed with Canton, Walpole, Westwood, Needham, Dedham, Medfield, Boston Latin, and Xaverian Brothers.

There are four math contests every year. Each of the nine schools in a division sends five representatives to a meet. A participant may enter in any three of five categories, comprising Arithmetic, Algebra I, Geometry, Algebra II, and Trigonometry. Each category has three questions which vary in difficulty and value. There

is also one problem given to the entire team. A team's score is determined by the total number of points obtained from problems correctly answered.

The math contests are held at the various schools of the division members. Although the math league is basically academic in nature, the meets are not conducted in a classroom atmosphere. The host school usually undertakes to provide the students and advisers with refreshments; there exists ample opportunity to eat (brownies), drink (orangeade), and be merry (quietly).

Norwood High's veterans have done quite well under Mr. Buscone's inspiring leadership. At the season's half-way mark, they stand about eighteenth in the field of forty-seven.

## *Sweet and Low—High, Too*

The Concert Choir began its second season under a new director, Mrs. Roberta Frank. This year the Choir changed to an all girl group singing a variety of music from sacred to secular.

The Choir had the opportunity to sing a Christmas program for the Norwood Hospital in December. The girls were seen by all the patients over the hospital's television system.

The Christmas Concert was the first public program for the new choir. The

music consisted of a variety of traditional Christmas selections. In its first appearance the choir performed excellently.

In May the Choir attended the South Eastern Music Festival at Foxboro and also presented another concert for the town of Norwood.

The 1964-1965 year has been profitable and enjoyable and it is hoped that next year the Concert Choir will be expanded to include a greater number of participants from all classes.

## *Senior Seminars — English 400*

In order to familiarize the student with the seminar form of teaching, to study utopian society as a form of literature, and to analyze our own society in terms of the problems that this literature presents, the English Department has continued English 400, a seminar entitled "Utopian Societies in Literature" led by Mr. Walter J. Peterson. Two sections of up to ten qualified seniors study such books as Plato's *The Republic*, More's *Utopia*, Butler's *Erewhon*, Bellamy's *Looking Backward*, Huxley's *Brave New World*, Orwell's *1984*, and others. At the end of the course all students

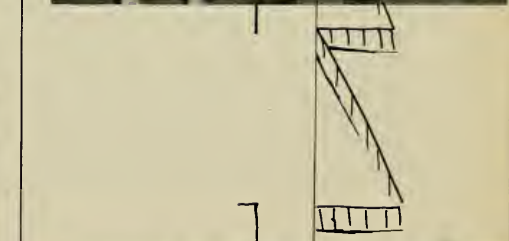

write a research paper on some aspect of contemporary society which is also discussed in some of the course texts.

The seminar meets one day a week after school for fifteen weeks and earns two credit points. The fact that so many students elected this course that it had to be expanded from one section to two is clear indication of the value which members of our student body place upon this type of intellectual activity, even though it involves a considerable amount of extra reading, additional writing, and fifteen after-school meetings.

## *They Fought Like Tigers*

The Blue and White started the football season against the Milton powerhouse. This was a tough opener for Coach Gulla, but Norwood won a great victory.

The Spartans from Framingham North had their first victory at our expense—20-14. It was a heartbreaker for Norwood, but, nevertheless, team spirit soared under the leadership of quarterback Jim Sweeney.

Braintree was highly favored over the Norwood ballplayers, but Rich Santospago gave an outstanding defense performance, while Vito Anello scored all the Norwood points, and Norwood came home once again victorious, 14-6.

Framingham South marched to Norwood and downed the locals 22-14. Next in line was Natick, the league Champions. Norwood fought long and hard, yet the final score was 30-0, making it three wins and three losses for the Gulla-men.

In one of the finest ball games ever seen at H. Bennett Murray Field, the Blue and White met Needham and their outstand-

ing quarterback, Vic Gatto. However, the fine defensive plays turned in by Frank Danieli and Captain Bill McNamara made the Needham boys really fight for their close 14-6 victory.

Neighboring Walpole High, the local rivals, were no match for the anxious Norwood boys so Norwood emerged with a win of 24-6.

It was another sad Thanksgiving Day, however, as the Shiretowners raided Norwood and left for home with a 38-0 win. The boys played a great game, but luck wasn't with them. However, even though the team will be minus its fine senior leaders, Rich Santospago, Bill McNamara, Pat Costello, Jim Sweeney, Jack Lanzoni, and Vito Anello next season, we're hoping to see sophomore Tom Donovan, freshman Tom Shea, and some fine juniors, Frank Danieli and Tom Costello score the winning points in the games to come, especially that November one, next Thanksgiving.

## *We Are Climbing Higher*

The 1964-1965 Norwood High Basketball team, coached by the competent Mr. Kenneth M. Nolet and led by Captain Charles Hopkins compiled a respectable 8-10 record. The first game proved to be a heart-breaker for the team, as Wellesley won a 56-55 victory in overtime.

In a hard fought battle, Natick emerged the 66-61 score victor. The team lost to Framingham South 75-71, Needham 55-41, and Braintree 57-40. The thrilling Walpole game went into overtime and Steve Lavalie hit Chris Effertz with a pass on a fast break which won the game for Norwood 58-56.

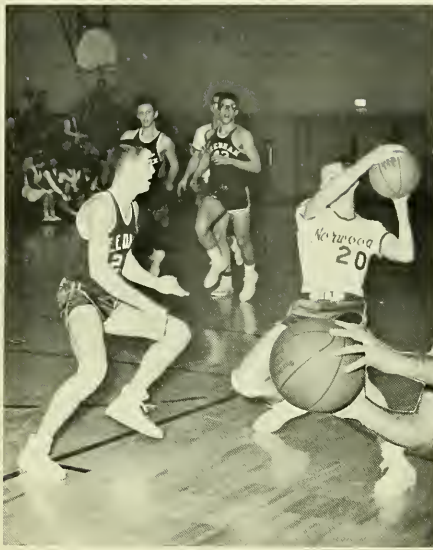

The team next wheeled off three straight victories as they defeated Framingham North 74-53, Milton 66-43, and Wellesley 73-51, but Dedham proved the spoiler, as they won by two points 53-51.

In the second round of the season Norwood completely out-played Needham in the first three quarters, but the Rockets salvaged the game in the last quarter 74-73.

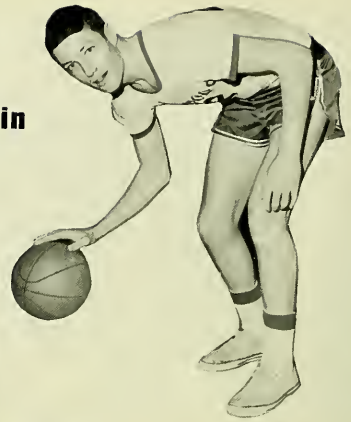

The team bounced back by winning against Framingham South 52-46, but Natick kept Norwood from making it two in a row. Norwood pulled off the biggest upset in many years when it defeated by 54-50, undefeated Braintree. Framingham North tipped Norwood 70-61 in their next game. The team won a fine victory over Milton 65-55, but in the season's finale Norwood lost to Dedham 53-48.

The outstanding players on the squad included League High scorer Chris Effertz, sharpshooting Charlie Hopkins, Fran Macaulay and Mike Griffin, two top rebounders in the league. Bill Lindblom contributed with his fine defensive play. Charlie Hopkins played in the Bay State All-Star game. With players like Chris Effertz, Mike Griffin, Dave Graham, Steve Hemmen, Roy Immonen, and Harry Greenlaw returning next year, Norwood should be a top contender.

## *Here's to Our Hockey Heroes*

The most exciting part of the sports program on the Hill this year was the husky, hustling hockey team coached by Mr. Donald Wheeler. The "Nuggets" achieved an impressive 13-3-2 record ending as runners-up to Walpole in both the Bay State League and the State Tournament.

Among the highlights of the season were: the victories over Braintree (10-0) and Columbus (3-0); the hard-fought tussle with Needham (3-0); the 12 goal period against Milton (14-0); Paul Angelo's tying goal against Dedham (3-3); Tom Smelstor's superlative goal-tending; Richie Hebner's two goal win over Lynnfield (2-1); and Blaine Maus's overtime goal against Newton (2-1) in the semi-finals of the State Tournament.

Norwood's all-star first line was led by Captain Blaine Maus with his two consistent teammates, Richie Hebner and Paul Angelo. Maus set up many scoring opportunities for his side-kicks. Angelo deserves great praise for his hustling in the corners and unfailing aggressive spirit. Left-wing Hebner was the fastest skater on the team and was rated one of the most powerful forwards in the state. These three with their highly developed skills created one of the best lines in the state.

The second line, consisting of Bill Crowley, Bob Donahue and Bill Hassenfus, had the best defensive record throughout the season. Their tremendous covering was obvious in the record of only six goals against them. Crowley was the keyman

## *They were just a "Little Bit Better"*

The Norwood High School track team, optimistic after three outstanding seasons and winning the Bay State Conference trophy, returned to the track with outstanding senior talent and high hopes for another successful year.

Under the watchful eyes of Coach Richardson, the Cross-Country team, captained by John Baker, compiled an outstanding 8-1 record. Braintree was the only team that managed to upset the Harriers by a score of 12-16 when one of our boys stumbled and fell.

Again with Coach Richardson at the helm, the indoor track team, led by seniors John Baker, Brad Bedar, Jim Murphy, Michael Snellgrove, Brad Ritchie, Steve Manley, Joe Maloney, Ted Mlynarski, Andy Howard, Jim Donovan, Eugene Ostergren, Steve Pazniokas, and Ed Czyryca, had high hopes for another title. As fate decreed, though, the title was just beyond our grasp. Led by Captains Mike Snellgrove and Joe Maloney, Norwood flexed its muscles and easily defeated new-

comer Framingham South 77-9. Norwood went on another rampage defeating Cambridge Latin 60-26; Malden Catholic 66-19; Milton 54-32; and Revere 75-11. After a brief rest, N.H.S. spent one Saturday at the Boston Garden for the state meet. Four Seniors placed in the "cream of the crop" of Class C. Brad Bedar took fourth in the two mile, and Andy Howard got a medal for a fourth place in the 300 yard sprint. Eugene Ostergren captured a fifth in the high hurdles and Captain Mike Snellgrove placed fifth in the mile.

Next Norwood and Randolph placed identical 5-0 records on the line; but Norwood, plagued by accidents, bowed to Randolph 51-35 in a meet that wasn't decided until the last gun. We bounced back from this loss and in the last meet we humiliated our arch-rival Dedham 66½-19½. And so Norwood ended its third year in indoor track with a 6-1 record and a second place finish, but the Bay State League Crown made a glorious finish for the outdoor season.

## *We Did Our Best*

Norwood's first varsity wrestling team in the history of the school, got its "baptism of fire" this season. Facing opponents with many more years of experience was no easy task for the squad, but the boys did their best at every meet. In spite of an unimpressive record of 1 win and 10 losses, the individual effort and sportsmanship of each competitor was outstanding. Led by Captain Rich Santospago, the squad ran into such strong opponents as Braintree, Wellesley, Natick, and Newton South with the result that Norwood came out on the short end. However, we posted our single victory over a Walpole squad that was also mak-

ing its debut into the wrestling world. It was during this match that the caliber of Norwood's team became evident, as we trounced Walpole by a score of 37-8.

Among the other top mat-men were Seniors: Jack Machado, Tom Mitchell, Dave Shackley, and Dave Bateman; Sophomore: John Noble; and Freshman: Kevin Orme. Both Tom Mitchell and Kevin Orme placed in the Bay State Tournament and qualified for the State Meet.

With many of the grapplers returning next year, Coach Bamberry and his squad look forward to a more promising season, and greater participation.

## *A Nip and Tuck Season*

The 1965 N.H.S. baseball team, coached by Mr. Frank Jacques, and captained by Jim Sweeney, is potentially the best team in the league, but in the first round of play Norwood lost four one run ball games. This has kept Norwood from being in contention for the league lead.

Opening day saw the Norwood nine lose a hard fought 3-2 ball game to Framingham South. In the second game Norwood lost to Needham 8-2, but Rich Hebner belted a homerun for Norwood. Norwood next lost a 3-2 heartbreaker at the hands of Wellesley.

The team exploded in the next game as it defeated Framingham South 14-4 to register its first win of the season. Rick Holmes, Rich Santospago, and Jim Sweeney smashed homeruns: Rick Holmes' hit was a grand slam.

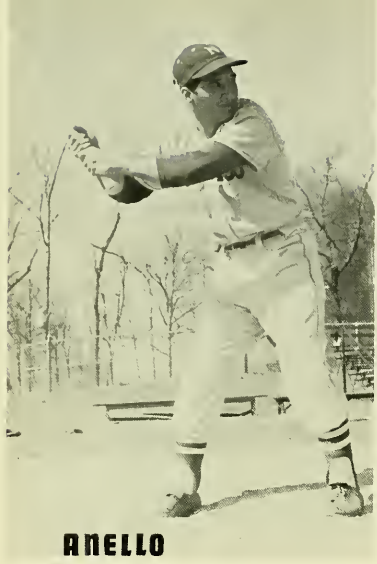

Norwood next handed Walpole a defeat by the score of 6-4. Blaine Maus pitched a fine game and Vito Anello paced the batters with two hits. Norwood in its next

game pulled off the biggest upset of the season as it conquered undefeated Natick 8-7 in eleven innings. Bill Hasenfus pitched six innings of the game in relief and did not give up a run. Rich Hebner's homerun in the 11th inning won the game for Norwood.

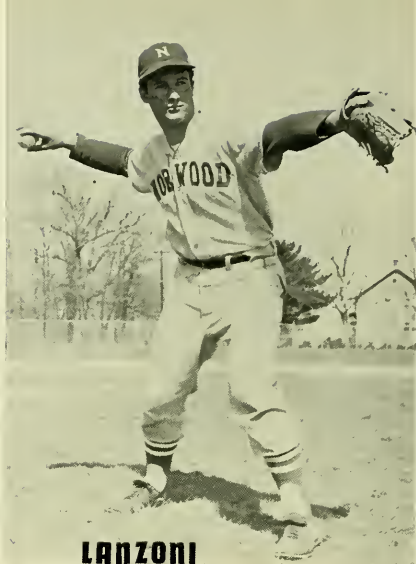

The 3-2 jinx hit Norwood again against Braintree as the team suffered another setback at the hands of Braintree. Norwood bounced back with a 4-0 victory over Milton with Bill Hasenfus doing a fine job of pitching and with Paul Angelo's timely hitting.

The final game of the first round of play saw Norwood drop a 2-1 ballgame to Dedham in which Charlie Hopkins pitched a great game for Norwood and deserved a better fate.

Coach Jacques feels that the team will do much better in the second round of play. Norwood performed some fine pitching in the first round but lack of hitting cost the club many games. —V.A. '65

# Class Will and Testament

We, the Class of Nineteen Hundred and Sixty-Five, being of sound mind and irreproachable character, do hereby proclaim this to be our last will and testament, bequeathing our most cherished possessions to the deserving undergraduates, and do proclaim all other endowments set forth in our name null and void.

**Article I:** To Mr. Monbouquette we leave our sincere thanks and appreciation and a Fountain of Youth to keep those "worry wrinkles" from his youthful brow.

**Article II:** To Mr. Piccirilli also goes our gratitude for a job well done and an exclusive barber shop and men's store near his office for his "problem" wards.

**Article III:** To Miss Ryan we bequeath the "pitter-patter" of little feet backstage whose owners are busy missing cues and forgetting props during rehearsals, and our deep appreciation of her many efforts in our behalf.

**Article IV:** To our Senior Advisers, who know a "good" class when they see one, we leave "I'm Particular" buttons to wear at those necessary functions.

**Article V:** To Mrs. Riley the Tiot staff leaves its deepest gratitude for her indefatigable aid in helping us produce this book, plus an exclusive Tiot room in the proposed addition, and a paper-cutter that cuts straight!

**Article VI:** To Mlle. Johngren we leave a shiny, red Mustang convertible with a big engine and 4-speed stick to replace that *tas de fer* which she always complains about.

**Article VII:** To Miss O'Sullivan we leave a baseball for that proverbial catcher's mitt her hapless students always have out there in left field.

**Article VIII:** To Coach Richardson the Senior trackmen leave a talent scout to recruit prospective winners, and a red beetle wig for those cold days at the armory.

**Article IX:** To Mr. John Flaherty we bequeath a polka-dot vest to play checkers on while waiting for a responsive mood to hit his audience.

**Article X:** To Mr. Peterson we leave Shattuck Park in which to start a Utopian Society.

**Article XI:** To Coach Nolet we leave a seven-foot tall center and a year's supply of flubber for the boys' sneakers.

**Article XII:** To Mr. Harold Flaherty we bequeath a generous supply of No-Doz to keep his "Modern Problems" group awake.

**Article XIII:** To Mrs. O'Hanley we leave a ticket-printing machine for all those who want free tickets for the Patriots' games.

**Article XIV:** Betty Orme, Andy Howard, Donna Kunan, Mary Ann O'Day, Nancy Donovan, and Paul D'Espinosa leave with visions of "long green" dancing in their heads.

**Article XV:** Nancy Welch leaves her cowbell to anyone who dares use it at next year's basketball games.

**Article XVI:** To Miss Hubbard the Student Council and the entire study body leave a Medal of Commendation for her patience and hard work.

**Article XVII:** The cheerleaders leave their hoarse voices, their contortionists' ability, and "Thunderation" to next year's crop of yellers.

**Article XVIII:** To Mr. Dehler we bequeath a chariot, a toga, and a wreath of laurels for a true-to-life presentation of **The Rise and Fall of the Roman Empire**.

**Article XIX:** Leo Immonen leaves a gold-plated gavel and a private P.A. system for contacting wandering delegates to next year's Student Council President.

**Article XX:** To Mr. Buscone we bequeath a personal IBM computer programmed for correcting tests and averaging grades.

**Article XXI:** The Seniors leave the faculty better luck next year in the Student-Faculty Basketball game and permission to let a teacher work the scoreboard.

**Article XXII:** To the teachers we leave a copying machine adapted to use Chanel No. 5 instead of copying ink. If that doesn't make those tests more pleasant, what will?

Article XXIII: Betty Deasy bequeaths her crown as "Queen of the Hilltopper" to Andrea Bremer who appears capable of wearing it.

Article XXIV: Eduardo Ferreira leaves for Paraguay with another kind of Americanism. Which do you prefer, Ed?

Article XXV: To the undergraduates we leave a continuation of the innovations started by the Class of '65.

Article XXVI: Paul D'Espinosa bequeaths his capable leadership abilities to the oncoming class presidents; he also leaves a State of the Union address "Without the woman's touch."

Article XXVII: Jack Lanzoni, one of the Hill's "Mr. Personalities", leaves his experiences with the Student Council behind, but he still doesn't know his SCORE—hair cream, that is!

Article XXVIII: Blaine Maus leaves his title as Bay State League High Scorer and a pair of "Silver Skates" to next year's captain with the hope that the championship can be recovered.

Article XXIX: The Senior girls leave their more sophisticated tastes to the "collegiate" underclass girls.

Article XXX: The Class of '65 leaves "The Red House" from the Play to anyone who wants to buy it.

Article XXXI: Sandy Askew and Janice Reichert leave their ability to befriend a rival to any girls who would "rather fight than switch."

Article XXXII: Maryann Michaelson and Ed Czyryca leave their artistic ability along with a supply of old layouts to next year's Art Editors.

Article XXXIII: Judy Lindquist and Bernie Cooper leave the worries of managing a yearbook to their two successors in the Class of '66 who think they can produce one half as good.

Article XXXIV: Ed Heffernan and Jack Lanzoni leave their wild escapades in New Orleans to anyone that can afford it—physically and monetarily.

Article XXXV: Certain members of the Senior class refuse to leave the Rexicana to anyone . . . but don't mind leaving those two extra long, hot weeks of school to their successors.

Article XXXVI: Jim Donovan leaves his innate finesse in flirtations with the fairer sex to Paul Ricardi.

Article XXXVII: The Class of 1965 leaves with many fond memories and mixed emotions, but also with the proud distinction of being the first, and no doubt the best, four-year class on the "Hill".

In witness thereof, we have hereunto subscribed our names and affixed our seal on this Thirteenth Day of June in the Year of our Lord Nineteen Hundred and Sixty-five.

## INTROD. Con Spirito

PIANO

*mf*

The piano introduction is in 4/4 time, marked *mf* (mezzo-forte). It begins with a treble clef and a key signature of one sharp (F#). The melody starts on a half note G4, followed by a quarter note A4, and then a series of chords and single notes in the right hand, while the left hand provides a steady accompaniment of chords. The introduction concludes with a final chord in the right hand.

1. There's a school on the hill called Nor - wood, And her sons and daugh - ters

and displayed precise back-checking; Donahue was the line's greatest offensive threat with his tricky backhanders in front of the net. Bill Hassenfus, frequently underrated, had an enormous will to win and excelled in both forechecking and back-checking. Pete Oberlander, alternating on the left wing, also displayed great determination and ability.

The "two blocks of granite," Tim Twoomey and Bobby Clifford, are staunch defensemen; Twoomey having been selected for the Bay State League and the State Tournament All-Stars. Clifford's strong arm can move the puck quickly and precisely, and he is a big man in breaking-up offensive threats. John MacNeil and Jack Cronin also deserve great credit for their great work.

All-high goalie, Tom Smelstor, had a record of nine shut-outs as a result of his tremendous ability to stop that puck. He deserves that All-Star rating for his marvelous job.

The coaching staff of Mr. Wheeler, Reverend Young, and Mr. Gormley, did

an outstanding job in producing this outstanding team and deserves worthy praise.

We wish to take this opportunity to thank the sponsors and advertisers who have helped finance this yearbook. At the same time, we wish to suggest to our fellow classmates and to all our friends who read this book that they patronize the stores listed in our advertising. Yearbook advertising may reach a more limited audience than newspaper advertising, but it is much more permanent and much more handsomely displayed, and it will be read through the years by all of us who cherish this souvenir of happy high school days.

 One World, built on a firm foundation;  
 Built on a firm foundation of Peace.  
 What a wondrous sight, Freedom's flame alight,  
 In a world where war shall cease:  
 One World built on love and peace.  
 When God smiled bright sunlight flooded hills and plains;  
 Songbirds filled green valleys and shout it everywhere  
 All things God created, His great love to share,  
 Now let men and nations join and shout it everywhere  
 One World, built on a firm foundation;  
 One World, no longer cursed by war;  
 Let no mortal man change the Master's plan  
 One great world at peace once more.

"Halls of Ivy"

Oh we love the halls of ivy that surround us here today  
And we will not forget tho' we be far, far away  
To the bowered halls of ivy every voice will bid farewell  
And shimmer off in twilight like the old vesper bell.

One day a hush will fall,  
The footsteps of us all will echo down the hall and disappear,  
But as we sadly start our journeys far apart,  
A part of every heart will linger here.

In the sacred halls of ivy where we've lived and learned to know,  
That thro' the years we'll see you in the sweet afterglow.

# In Memoriam

Richard Jones was a blond, well-built boy who wanted to be a real part of the high school. To those of us who knew him, he was quiet, co-operative, and friendly to all. Although he had to be careful of exercise himself, he followed all the sports and activities on the "Hill" with great interest. We share the loss with his parents and family.

Nancy Durbin was a sweet little girl who was cheerful and enthusiastic about school activities. Her untimely death brought sadness and a deep sense of loss to all who knew of her courage and tenacity. The Class of 1965 once again expresses its sincere sympathy to her family.
